

The Canberra Living Conditions Network (CLCN) is pleased to present the following training package

MODULE 1 - UNPACKING HOARDING AND SQUALOR FOR WORKERS AND MANAGERS

This is a half day introduction providing a general overview of hoarding and squalor. Which is suitable for workers and managers who come across these issues in their work.

Areas covered are;

- * definitions and terminology
- * communication and the importance of appropriate language
- * support and connection in the Canberra community

Cost: \$175.00
