

The Canberra Living Conditions Network (CLCN) is pleased to present the following training package

MODULE 2 - DISCOVER HOARDING AND SQUALOR: FIRST RESPONDER TRAINING

This training will create discussion and awareness among first responders around the issue around hoarding and squalor.

It will explore considerations and approaches when seeking to connect to support, and inform on possible steps and processes.

It will also give workers an invaluable opportunity to learn and develop relationships with other agencies.

Cost: \$225.00
